"What About...?" is a weekly devotional released at 6 am on Wednesdays that answers the question; "What About?"...something pertaining to a man's walk with the Lord. "What About" briefly answers those nagging questions that we all have as we grow up in the Lord. Each week I, or another leader will share some thoughts on one of those areas in our life regarding faith, future, friendships, and fifty other areas that come up, that cause us to say....Hey...What About.....? Join me here each Wednesday, and share this devo: **YouTube>"SGT Men's Ministry"**. Then share with other guys!
