About My Trip

Hello family and friends! Please help support my missions trip to Malawi this Summer! I will be joining a ministry in Lilongwe, Malawi called Urban Promise. The team and I will hold after-school programs to plan lessons, teach and lead devotionals with teachers in the community as well as orphanages. The team will also reach the community through sports and skits!

This year, I felt the Lord leading me to be involved in missions. I had no idea what trip I would be placed in, but I prayed and asked the Lord for His guidance and for His will to be done. Wherever He would send me, I would go and I would follow. Ever since I found out that I was placed to go to Malawi, I can't tell you how much joy I felt. The joy, peace, and love I feel already for this trip are undeniable.

I ask you to join with me in donating to this trip for what the Lord will do through me and the team. If at this time you cannot donate financially, you can help support me by praying for the team, the contacts, and the community we will reach out to! Love you all, so blessed you can be a part of this journey with me!

Much Love,
Emma :)

About ORU Missions & Outreach

Our vision is to be a strategic, short-term investment into a long-term kingdom work.

Put simply, we want to come alongside what God is already doing in cities and nations around the world to be an encouragement, enrichment, and empowerment to those who are daily serving God's Kingdom around the world.

We believe it is an honor, privilege, and joy to serve the Kingdom of God all around the world and to give students the opportunity to walk out the vision of Oral Roberts University to "carry God's healing power to the uttermost bounds of the Earth."
