

## **ORU Missions and Outreach**

### **Medical Mission Trip to the Dominican Republic**

May 8<sup>th</sup> – May 22<sup>nd</sup>

Family and Friends,

I will be going to the city of Santo Domingo in the Dominican Republic. My team and I will be working with an organization called YWAM, working alongside Doctors and Nurses and setting up clinics to provide medical attention and aid to those who are hurting physically.

We will have the amazing opportunity to pray over our patients and their families.

I need SGT's help to raise the remaining \$2,245 by April 11th, 2022.

My trip date is from May 8th to May 22nd.

Thank you for considering my trip at this time.

Blessings,

Samantha Cubas

ORU Junior, Nursing Student
